## Blue Belly

This spring saw the launch of the first catamaran in the next generation of the 70 **Sunreef** Power series. The shipyard, based in Gdansk, Poland, started the line, designed by the French sailor Laurent Bourgnon, in 2008, but this unit – number 12 – has a significant change. Due to the owner's preference for light, airy space on board, *Blue Belly* has a fully open saloon on the main deck. [sunreef-yachts.com](http://sunreef-yachts.com)

The vessel has a novel autoclave pre-preg carbon build and tenders guests from MY Global (formerly Kismet). [vripack.com](http://vripack.com), see interview, page 42
