cruising to owners with
a sense of ADVENTURE*

150 SUNREEF POWER

Designer Sunreef Yachts

A 46-metre with all the space to spare that the catamaran form brings. The upper-deck master is huge and she reaches a top speed of 22 knots.

BLOUNT 75M

Designer Donald L. Blount & Associates

This sleek 75-metre has a top speed of 25 knots, an open-plan interior, and a hot-tub forward. An 85-metre example has also been developed.
