Sunreef Yachts at Cannes

Three premiers at this year's festival

Poland's Sunreef Yachts will have four catamarans on show at the Vieux Port, with three of them world premiers. The Supreme 68 Power, the Supreme 68 Sailing cat and the Sunreef 74 will all be turning heads for the first time at Cannes. Cutting edge design, stylish looks and superyacht interior volumes define Sunreef's catamarans, so be sure to check them out on stand CAT 022. www.sunreef-yachts.com
